Subject: a question about al ahwaz

Hello guys,

10 minutes ago I was searching about the city that I used to live in it and i was born AHWAZ and i found your website al-ahwaz.com ! I was wondering who the fuck says that ahwaz used to be part of your country ?! ahwaz is (was) and will be a part of IRAN for ever with all of those arab people inside it (i respect all of them because i know many of them and im still friend with many of them). You guys better go and ask your parents about the old days that you were part of IRAN and shut your fucking mouth... i guess you still remember that we kicked ur ass out of ahwaz and abadan about 14 years ago...and that was a good lessen for that fuckin bitch SADDAM HOSEIN and the rest of arab leaders who think they can take over IRAN...anyways....sorry if i fucked you up... with regards...some AHWAZI guy
